

2018 FUNDRAISING OPPORTUNITIES

STOP SELLING “STUFF” AND START SELLING EXPERIENCES

The CornBelters are proud to provide fundraising opportunities for our area non-profit organizations, youth clubs, sports teams, and groups seeking to support a cause or goal. Unlike many other fundraisers, there is no melting candy to sell, you don't have to fill up the back of your car with goods to deliver before the holidays, and there are no miles to walk. All you have to do is organize a group outing at The Corn Crib.

FUNDRAISING THROUGH TICKET SALES

Your organization will have the opportunity to purchase discounted tickets and resell the tickets for up to face value.

Example: Single game Reserved Box Seat tickets are \$10 each. Your fundraising group will be able to purchase the tickets for \$5 each and then resell them for their face value of \$10, netting \$5 per ticket for your group. If 10 people in your organization sold 20 tickets each (for a total of 200 tickets sold), your organization just made a profit of \$1,000!

If you are not looking to maximize your fundraising capability, you may resell the tickets at a few dollars less than face value. This allows you to offer your target market a discount they would not normally receive unless they were a part of your group while still raising funds.

FUNDRAISING THROUGH CONCESSIONS

We also offer two concession stands for volunteer groups. Your group will receive a percentage of the net sales of the stand(s) you work. The percentage will be dependent on the days of the week with a “sliding scale” model.

- **Tuesdays & Wednesdays:** 10%
- **Thursdays & Sundays:** 8%
- **Fridays & Saturdays:** 5%

Note: Some promotional dates will be paid on the Friday & Saturday scale. Training will be provided and a CornBelters Stand Manager will be available at all times, but is not responsible for children.
